<hr/>		
Note: A gentleman was a person of wealth who was not used to working with his hands.		

EV

Document Analysis

1. How many settlers arrived in May 1607? 1608? How many had known occupations?
2. How many of the settlers from either group were female?
3. What is a “gentleman”?
4. Of the 110 settlers who arrived in May 1607, nearly 70 were dead by December. Is there anything in the ship lists that helps explain why?
